Sector SHELF & DESK

A new and modern take on mid-century shelving units, Sector is defined by its sturdy simplicity and classic combination of wood and brass. Choose between natural oak veneer or black stained ash veneer with brackets of either polished or blackened brass.

The Sector Shelves can be used as a standalone shelf, or combined to form one larger shelving unit. Use them to display books and favourite objects in the office or living room, or for open storage in the kitchen. The shelving system is available in two sizes and is attached to the wall by the solid wood uprights with visible brass or black screws.

The Sector Desk can likewise be used as a standalone surface or combined with the Sector Shelves of your choice to form one integrated and cohesive workspace. A short border at the end of the desk forms a small, narrow space that's ideal for propping up hand-written notes or a favourite photograph.

PRODUCT DETAILS

Product type: For contract sales and use

Origin: Europe and Asia

Construction: Shelf: Natural oak / stained ash veneer with plywood core
Profiles: Solid oak/ash
Brackets: Brass or black brass with matte polish

ferm LIVING is determined to ensure a shelving system that will last for several years, without compromising its appearance.

Info: Screws for wall mounting included
Registered design

Assembly: The shelving system contains the following parts:

- Shelf / shelves
- Profiles
- Brackets
- Shelves
- Screws
- Assembly manual

Step-by-step:

1. Start by mounting the brackets to each shelf. Two brackets per shelf and two short screws for each bracket.
2. Place the two profiles on a stable surface, like the floor or a solid table. The sides with the large holes should turn upwards. Start by attaching the upper shelf to the profiles and end with the lower shelf. Use the same short screws as before. Two screws for each bracket.
3. Find a position for the shelf and hold it against the wall. Make sure that it is level. Stick a pointy pencil/needle through the holes to mark the drill holes on the wall.
4. Remove the shelf from the wall. Drill the holes and insert rawlplugs (not included). Attach the shelf to the wall using the long screws.

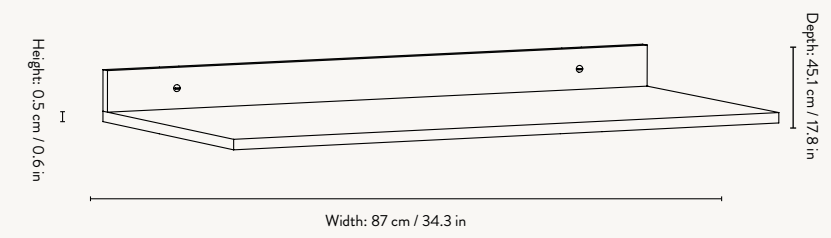

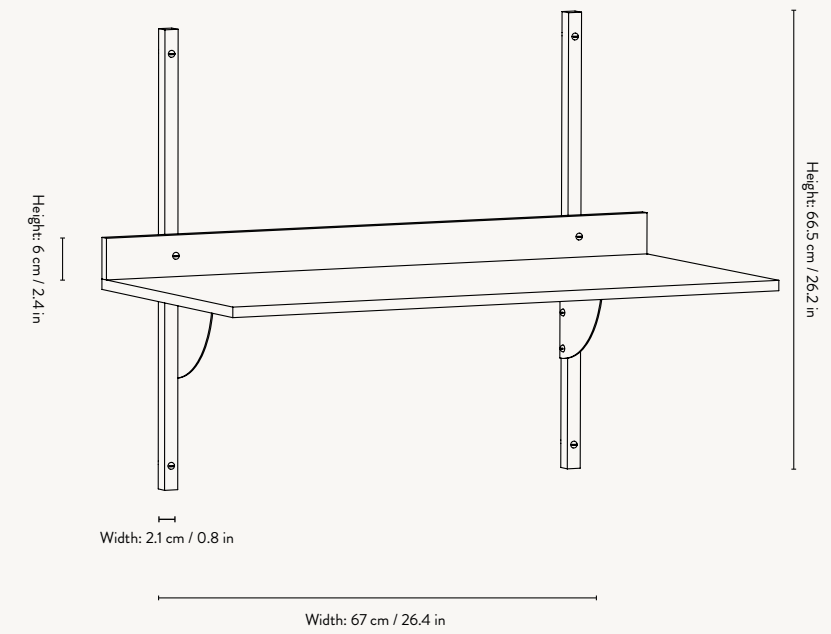

CARE AND CLEANING

Care instructions: Clean with a damp cloth tightly wrung out in clean water. Then polish with a soft, dry cloth. Use a mild solution of universal cleaning agent

Life is full of contrasts

As we navigate expectations and dreams in the search for meaning and comfort, we long for a balanced life with room for chaos and calm, moments of reflection and times of joy. A place where we can be ourselves, realise the true value of things and feel at home.

Based on a passion for authentic design and clear functionality, we challenge ourselves to shape the future and take pride in creating products that help you balance the contrasts of life.

Our soft forms, rich textures and deep colours allow you to create an authentic and composed atmosphere, while avant-garde shapes, striking patterns and curious details add a touch of the unexpected.

From our base in Copenhagen, we work with artisans around the world, fusing our Scandinavian mindset with global skills and traditions. We take our responsibility to people and the planet seriously and expect the same of our partners.

We create collections of furniture, accessories and lighting, so you can create space to feel comfortably you.

Welcome home.
