

SNOOZE

The Snooze bed linen range revolves around what we do in bed. It comprises five different sets of bed linen in five dreamy colors with small embroidered symbols. The bed linen sets are made from a soft and crisp OEKO-TEX-certified cotton, each representing a specific mood that applies to how you feel in bed.

Snooze Bed Linen is made of T300 Percale OEKO-TEX cotton, which means it has 300 threads per inch ensuring very high density and durability. The bed linen is available in five different colors and sizes. Each variant comes with small, unique bedtime embroidery on the front side and a matching, reusable drawstring bag. The bed linen has an invisible zipper to prevent it from tearing the fabric during washing and an envelope closure for the pillowcase. The Snooze bed linen complements the new Éclat cushions. OEKO-TEX is an independent certification system for textile and leather products to confirm the human-ecological safety within the entire value chain.
