## *Brazil Espresso Blend*

BRAZIL

*Sao Jose*

*Red Catuaí, Natural*

BRAZIL

*São Sebastião*

*Mundo Novo, Natural*

---

*This is our Aussie/New Zealand style espresso roast. An all-Brazil blend for those that like their coffee punchy but without the harshness and bitterness you typically get with dark roasts. This coffee has plenty of hazelnut, chocolate & caramel notes. A great thick mouthfeel while also keeping a nice sweetness.*
