

# Silent Field 2.0 - Direct + Indirect - 3000K - APP Compatible - Orange

Carlotta de Bevilacqua  
Laura Pessoni

IP20    Dimmbar: 

## LUMINAIRE

- Watt: **75W**
- Lichtstrom (lm): **5276lm**
- CCT: **3000K**
- Efficiency: **75%**
- Efficacy: **70.35lm/W**
- CRI: **90**
- Dimmable Typology: **Push**

## Anmerkungen

Dimmable: Push & APP

## BESCHREIBUNG

Suspension appliance with sound absorption properties: the material's characteristics and the appliance's geometry ensure a reduced reverberation time. The sound absorption effect is optimized for the frequencies of human voice. The varying densities of the material used for the lower panel promote the absorption of different frequencies. Both the upper and the lower surface of the appliance feature sound-absorbing properties. Appropriate positioning of the appliance in space is crucial to optimize sound absorption.

## FUNKTIONEN

- Produktcode: **1013040APP**
- Farbe: **Orange**
- Installation: **Pendelleuchte**
- Serie: **Design Collection, Architectural Indoor**
- Anwendungsbereich: **Innenbeleuchtung**
- design: **Carlotta de Bevilacqua, Laura Pessoni**

## DIMENSION

- Breite: **1000 mm**
- Durchmesser Fuß: **300 mm**
- Max Höhe von der Decke: **2000 mm**

## INKLUSIVE LICHTQUELLEN

- Kategorie: **Led**
- Anzahl: **1**
- Watt: **37W**
- Farbtemperatur(K): **3000K**
- Kategorie: **Led**
- Anzahl: **1**
- Watt: **35W**
- Farbtemperatur(K): **3000K**

**ZUBEHÖR**

Device for switching and controlling Artemide App products. Max N.3 inputs for external push buttons. Max 1m distance. Mains power supply required. To be installed inside flush mounting boxes or junction boxes. DV1080APP
