Vitamins: Sodium Ascorbate, dl-α-Tocopheryl Acetate, Vitamin A Acetate, Niacinamide, Calcium Pantothenate, Cyanocobalamin, Cholecalciferol, Biotin, Phytonadione, Folic Acid, Riboflavin, Thiamine Hydrochloride, Pyridoxine Hydrochloride.

Allergens: Contains Dairy and Soy.

FEEDING GUIDE

AGE OF INFANT	WATER (mL)	POWDER (SCOOPS)*	FEEDS PER DAY
6-12 months	240	4	4

*1 measuring scoop = 8.8g powder.
Add 1 level scoop of powder for every 60mL of water.
This is a general guide only. Your baby may need more or less than indicated.

STORAGE

Close lid tightly after each use. Store in a cool dry place under 25°C. Use within 4 weeks of opening. Do not use if foil seal is damaged or missing.

For use by date, see base of the tin.

IMPORTANT NOTICE: BREAST MILK IS BEST FOR BABIES. BEFORE YOU DECIDE TO USE THIS PRODUCT, CONSULT YOUR DOCTOR OR HEALTH CARE WORKER FOR ADVICE.

WARNING: FOLLOW INSTRUCTIONS EXACTLY. PREPARE BOTTLES AND TEATS AS DIRECTED. DO NOT CHANGE PROPORTIONS OF POWDER EXCEPT ON MEDICAL ADVICE. INCORRECT PREPARATION CAN MAKE YOUR BABY VERY ILL.

Bubs® Goat Follow-on Formula protein source is derived from goat milk.

Follow-on formula should not be used for infants under 6 months. It is recommended that infants over the age of 6 months should be gradually offered solid food in addition to formula.

bübs®

6-12 MONTHS

2

Easy-digest goat milk follow-on formula

- ✓ Nutritionally balanced
- ✓ Clean Label and Non-GMO
- ✓ Naturally gentle

800g

growing generation joy®

We understand the importance of a happy tummy for your little one. Our high quality, Bubs Goat Milk Follow-on Formula is derived from naturally occurring A2 Goat Protein and contains natural goat milk, of the highest quality. The unique composition of goat milk makes it easy to break down and be gently absorbed.

AUSTRALIAN MADE GOAT MILK

Our goat milk products are proudly Australian blended and packed in our own secure facility in Victoria, Australia.

A2 GOAT PROTEIN

Our formula contains naturally occurring A2 goat protein.

GOODNESS FROM THE FARM

Our goat milk is securely sourced from our high quality farmers, selected to meet our strict controls on quality and transparency.

CLEAN LABEL

Non-GMO. No artificial growth hormones, no Artificial colours, preservatives or additives. No maltodextrin or corn-syrup.

Made in Australia - ingredient sources vary - average 60% Australian ingredients

BUBS® GOAT RANGE

1 0-6 MONTHS
Infant formula

3 12-36 MONTHS
Toddler drink

DIRECTIONS FOR USE

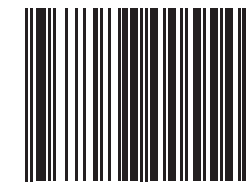

- Wash hands first. Sterilise bottle and teat in boiling water or a steriliser.
- Potable, previously boiled water should be used. Pour the required amount of cooled boiled water into the bottle.
- Add the required number of softly packed level scoops according to the feeding guide, using the provided scoop and the built-in leveller on the Can. Always add 1 scoop of powder for each 60mL of water.
- Shake well until powder is dissolved. Test temperature on your wrist before feeding. It should feel lukewarm, not hot. Once prepared, serve immediately.

Each bottle should be prepared individually. If a bottle of made up formula is to be stored prior to use, it must be refrigerated and used within 24 hours. Formula left after a feed must be discarded.
