IRIOLA
Nayesha Oil Mills

Welcome to Nayesha Oil Mills, a family-owned business that has been producing premium quality private label Mustard Oil. We take pride in delivering high-quality, pure, and healthy Mustard Oil that is not only delicious but also rich in nutritional value.

Our Value

Nayesha Oil Mills operates with integrity, honesty, ethics, and fairness. This includes avoiding conflicts of interest, respecting all stakeholders, and adhering to legal and regulatory requirements.

Oil Processing

Our Mustard Oil is extracted from the finest quality mustard seeds using modern cold press technology. Our oil is free from any chemicals, preservatives, or additives, ensuring that our customers get 100% pure and natural Mustard Oil. The natural aroma and flavour of our Mustard Oil will enhance the taste of your food.

Our Mustard Oil manufacturing plant is equipped with state-of-the-art technology that ensures the purity and hygiene of our product. Our Mustard Oil processor process includes cleaning, crushing, and filtering. Our Kachi Ghani Mustard Oil is extracted using traditional cold press methods. It is then packed in air-tight containers to maintain freshness and purity.

Our Commitment to Quality

At Nayesha Oil Mills, we are committed to delivering premium quality Mustard Oil to our customers. Our products undergo rigorous quality checks at every stage of production to ensure that only the best quality oil is delivered to our customers. Every batch of our oil is tested on all the prescribed parameters FSSAI before packing in the in-house laboratory to ensure its purity and safety.

Benefits of Mustard Oil Private Labelling:

Private labelling of Mustard Oil can provide numerous advantages for businesses that choose to offer their own branded products. Here are some of the critical advantages of private labels:

Brand Control: By creating their own Mustard Oil brand, businesses have greater control over the market goodwill of their products.

Increased Margins: Private label Mustard Oil can offer higher profit margins than selling other brands.

Customisation: Private label packer Mustard Oil allows businesses to customise products to meet their target customers' specific needs and preferences.

Competitive Advantage: Offering a unique private label Mustard Oil can give businesses a competitive advantage over other retailers.

Control over Quality: With private labelling, businesses can ensure that the products meet their quality standards.

Flexibility: Private labelling allows businesses to easily add new products to their line without having to go through the process of developing a new product from scratch.

Overall, the private labelling of Mustard Oil can give businesses greater control over their products and brand, increased profit margins, and a competitive advantage in the market-place.

Terms and Conditions That Govern Our Services

Minimum Order Quantity: We require a minimum order quantity for our private labelling services. The quantity will be determined based on the specific product and packaging requirements.

Customised Label Design: We will work with you to create a customised label design that reflects your brand and vision. The label design will be approved by you before production begins.

Payment Terms: We require a deposit for all private labelling orders, and the remaining balance must be paid prior to shipping. Payment terms and methods will be outlined in our agreement.

Quality Control: We take pride in ensuring the quality of our products. We perform rigorous quality control checks on all products before shipment.

Packaging and Shipping: We offer a variety of packaging options to meet your needs. Shipping costs and methods will be outlined in our agreement.

Intellectual Property: You are responsible for ensuring that any designs or trademarks used in the label design do not infringe upon any third-party intellectual property rights. We are not responsible for any legal issues arising from the use of such designs or trademarks.

Confidentiality: We understand the importance of confidentiality and will keep confidential all information related to your private labelling order.

Termination: Either party may terminate the agreement at any time for any reason with written notice to the other party.

Governing Law: The terms and conditions of our private labelling services shall be governed by and construed in accordance with the laws of the state in which we are located.

We are committed to providing high-quality private labelling services to our clients. By agreeing to our terms and conditions, you acknowledge that you have read, understood, and agreed to comply with all terms and conditions outlined herein.
