SIMPLIFIED INSTALLATION

DIRECT CONNECT FIXING SYSTEM

Above accessories come standard with our unique Direct Connect Fixing System, which includes a precision drilling fixture and a diamond drill bit to effortlessly and accurately drill holes through even the hardest of vitrified tiles. In addition, all products ship with high quality stainless steel wall anchors and screws for a secure and enduring installation. Standard installation is system suitable for tiled or masonry walls only. Optional fixings for Glass, Plasterboard and a Glue-Only installation (No drilling) are available on request. Products can be supplied to your custom lengths on request.
