Features:

- Trigger spray is 5 Star 6lpm
- Jet spray in the trigger spray is created with a stainless steel blade that retains its shape for longer and provides an easier clean with less water use
- The soft, easy-clean hose provides flexibility and makes using the trigger spray easier
- Soft spring for easy operation
- The cold start cartridge prevents hot water being drawn while the tap is still in the neutral position. No hot water or energy is used until the handle is turned towards the left
- Adjustable wall bracket
- Double check valve
- Shower Spray available
- Recommended for Commercial Kitchens
