wall hung pan

Manufactured by

3.50.0

January 2011

The Dial wall hung pan is a modern design form that artistically integrates a square aesthetic with smooth curved edges. In addition the pan is completely back to wall making it quick and easy to clean.

Code: white HIDLW10
gloss black HIDLW10

Set-out Details

P - Trap: 210mm

Back Inlet Height

350mm FFL.

Seat

A heavy grade specially designed Dial soft close seat with chrome plated metal hinges.

Code: HIDLZ (If required as a separate item).

Colour

White, Gloss Black .

Fixings / Brackets

A pair of L-shaped brackets that are fixed to both the wall and the floor surfaces are available. These are only suitable for use with brick or block walls on structural slab flooring.

Where the pan is to be fixed to a stud wall or attached to a cabinet for undercounter cistern installations, a chair bracket can be used on structural slab flooring.

Installation Instructions

If the pan is being installed without a Geberit cistern the use of a 40mm European Kee Seal will be required (code: ST119668).

Packing Details

Pan 26 kg, Seat 3 kg.
Supplied in two cartons.
