MADE IN AUSTRALIA

10 YEAR WARRANTY

SIMPLIFIED INSTALLATION

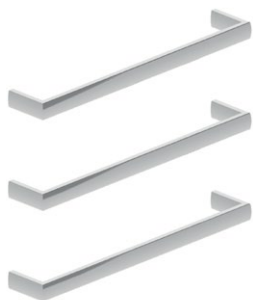

DOUBLE FIXING SYSTEM

Xylo accessories come standard with our unique Double Fixing System, which includes a precision drilling fixture and a diamond drill bit to effortlessly and accurately drill holes through even the hardest of vitrified tiles. In addition, all products ship with high quality Hilti® wall plugs, stainless steel screws and a tube of epoxy glue for a secure and enduring installation. Standard installation system suitable for tiled or masonry walls only. Optional fixings for Glass, Plasterboard and a Glue-Only installation (No drilling) are available on request.

at either end

MDF template & Diamond
drill bit supplied

In-wall kit included

Note: This is a 12V device - provision must be made for a servicable location of the supplied Transformer. Please consult your electrician.

Xylo Heated Towel Rails come standard with a 10 year warranty (one year onsite), which covers faults in construction, material and assembly. After the first year, Avenir will replace or make repairs based on the faulty item being returned to our factory. Freight costs are also covered under this warranty for 10 years, however the labour to remove / install after the first 12 months should a fault occur is not covered by this warranty.
