

SKU: UBL-C-M100

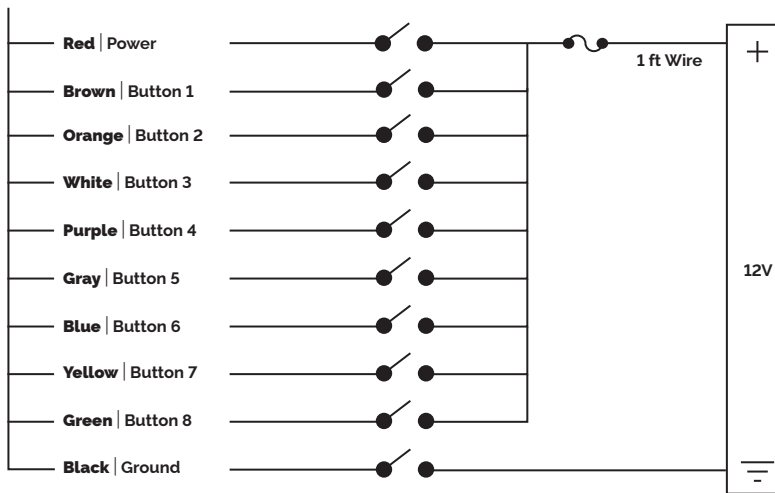

MOUNTING SPECIFICATIONS:

- 1) Confirm placement and run wire for lights and/or siren.
- 2) Confirm that you are not drilling into any of your vehicles wiring or components and drill two pilot holes using the included swivel bracket as your guide.
- 3) Screw in swivel bracket into mounting area.
- 4) Attach controller using the included screws and follow wiring guide below to complete your install.

WIRING INSTRUCTIONS: (PROFESSIONAL INSTALLATION RECOMMENDED)

- 1) Connect red wire to +12V and the black wire to ground to power controller.
- 2) Each button is preprogrammed to on/off. If momentary is needed, hold down the button you want to make momentary for 30 seconds.
- 3) Follow the wiring diagram and controller diagram to connect your lights and/or siren. Note there is a 5A max for each button.
- 4) Test and confirm each button and add included legend stickers.
- 5) Tape off all wires to prevent shorts.

	Switch
	Fuse
	Ground

 **WARNING** 

- Do not install this product or route any wires in the deployment area of your airbag. Equipment that is mounted or located in the airbag deployment area can reduce or damage the effectiveness of the airbag, or become a projectile that can cause serious personal injury or death. Refer to your vehicle owner's manual for more information about the airbag deployment area. The User/Installer assumes full responsibility for determining a proper mounting location that provides ultimate safety to all passengers inside the vehicle.
- Do not attempt to activate or control this device in hazardous driving conditions.
- Nighttime operation of lighting products may produce reflected light within the vehicle, rendering it difficult to see. Use with caution.
- These are high intensity lights. Please allow adequate distance before looking directly into them.

IMPORTANT!

Before returning this vehicle to active service, visually confirm the proper operation of this product, as well as all vehicle components/equipment.

WARRANTY INFORMATION

- ⚡ UBL Electronics warrants that all "ilumex" series LED lights are free from defects in materials and workmanship for five (5) years from the time of purchase, all other LED lights are free from defects in materials and workmanship for two (2) years from the time of purchase, and all UBL sirens and speakers are free from defects in materials and workmanship for one (1) year from the time of purchase. During the warranty period we will, at our sole discretion, repair or replace the product. This limited warranty does not cover labor charges for the removal and installation of the product.
- ⚡ UBL Electronics is not responsible for incidental damages, including but not limited to: loss of time, loss of work, inconvenience, loss and/or damage to personal property, and shipping expenses.
- ⚡ Use of incorrect electrical power (other than that specified by the manufacturer), use of inappropriate or inadequate wiring, improper circuit protection or alterations to the product may void the warranty.

THIS WARRANTY IS SUBJECT TO CHANGE WITHOUT NOTICE.
