Where Luxury Looks Meet Commercial Strength

This exclusive luxury vinyl collection delivers the same high standards of any Cali Vinyl floor for a better value. Offered only to builders, designers, and architects, it's the LVP for high-style spaces armed for stampede-level traffic. Made in our most popular colors, this special forces flooring is made for domineering strength, faster installations, and 100% waterproofing. Rugged to the bone, each plank is fortified by GeoCore®, a fortifying backbone of limestone composite for superior structural stability.
