## CANTO SNACK BAR

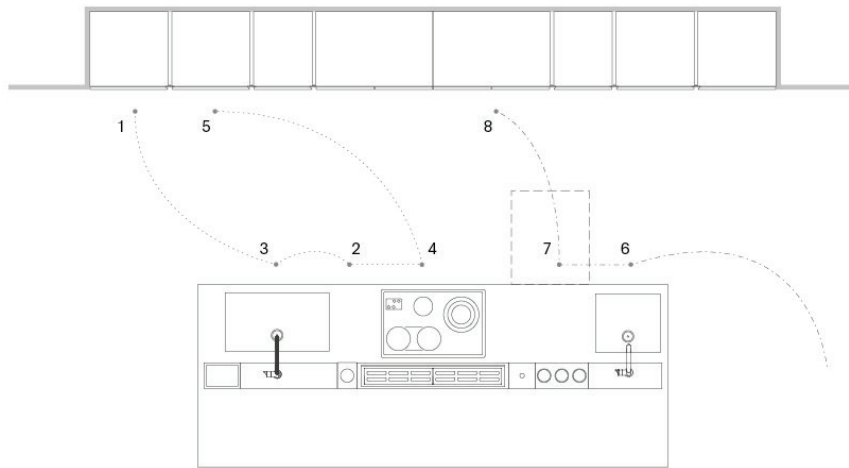

The unusual design of the Canto snack bar lends lightness and elegance to islands and peninsulas, with its thin edge, tapered on three sides. The wedge-shaped walls allow for sockets to be fitted under the top, thus enabling multifunctional use of the surface. Available in stainless steel, Vintage stainless steel, PVD stainless steel, Fenix NTM® laminate, lacquered matt and polished, metallic lacquers, and or in any of the different wood options from the Collection.
