### DETAILS

Wherever you need bright, reliable lighting, our versatile Ultra High Lumen Dimmable LED High Bay will be a cost-effective solution. Its IP65-rated enclosure resists both dust and water jets, allowing for use in wet areas, such as kitchens, car washes, freezer warehouses, and all sorts of manufacturing facilities. At the same time, it can be used in retail stores because of its CRI of 80 and is power adjustable. Or, hang it in an industrial-styled restaurant, and control the atmosphere using smart dimming capabilities.
