DETAILS

The brightest light for food processing at the lowest energy cost. Specially designed & NSF certified for industrial food processing, commercial kitchens & other locations where ease of cleaning is essential. The elements that contribute to its sleek, modern look serve a purpose: the enclosure is IP66 rated to withstand washdowns with water jets. Water sheds right off the smooth dome design. With no exposed screws, there are no recesses for bacteria to grow in.

SPECIFICATIONS

Input Power	100W, 200W
Input Voltage	100-240Vac/100-277Vac
Light Output	100W - 13,000 lumens 200W - 26,000 lumens
Efficiency	130 lm/W
CCT	5000K
CRI	>80
Average Lamp Life	50,000 hours
Enclosure Rating	IP66
Controls	Dimming
Working Environment	Indoor
Power Supply	Mean Well
Certification	NSF, DLC, UL
Warranty	5 years
