1x
Anti-theft pad

ANTI-THEFT INSTALLATION

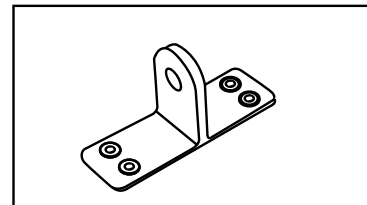

STEP 1

Attach the anti-theft bar to the back of the cover using flat screws and bolts

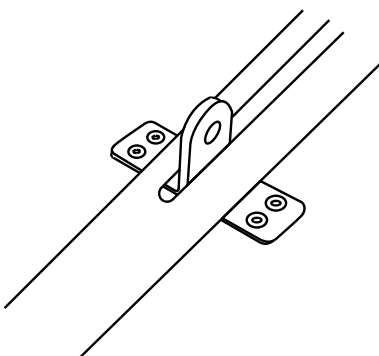

STEP 2

Use the 4 concrete screws (2 per side) to secure the anti-theft pad to the back of the concrete slab on which your HVAC system is installed.

STEP 3

Insert the anti-theft bar in the anti-theft pad.

STEP 4

Install the lock in the hole of the anti-theft pad.
