

GALVANISED STEEL BOX GRATES

FOR EXTERNAL USE

STEEL BUILDERS SELL A WIDE RANGE OF GALVANISED STEEL BOX GRATES, PIT COVERS AND OTHER DRAINAGE ACCESSORIES.

All of our range is of the highest quality construction and all of our products are galvanised to meet the Australian standards.

Our box grates come in a huge range of sizes to make sure we have what you need for your project right off the shelf ready to install.

› GALVANISED STEEL HEELGUARD BOX GRATES

Our galvanised steel box grates are Australian designed and made to our specifications. Suitable for most domestic and commercial traffic with long lasting galvanised steel your grates will last the test of time. Heelguard is pet and pedestrian friendly and reduces the amount of large debris going into your drain.

All box grates are open-ended, this means you can join them to any length required. Using our end caps and outlets you can use our modular system to suit your project requirements. For outlets, joiners and end caps see our galvanised accessories below.

GALVANISED STEEL HEELGUARD BOX GRATE - Suitable for pedestrians, cars and light trucks				
Available Sizes	125mm Wide x 80mm Deep	150mm Wide x 125mm Deep	200mm Wide x 170mm Deep	300mm Wide x 170mm Deep
1000mm	125HEEL1	150HEEL1	N/A	N/A
2000mm	125HEEL2	150HEEL2	200HEEL2	300HEEL2
3000mm	125HEEL3	150HEEL3	200HEEL3	300HEEL3

› GALVANISED TRADITIONAL BOX GRATES

These box grates are similar to our Heelguard design but with a more open mesh top to allow faster water flow where pedestrian traffic might not be such an issue.

All box grates are open-ended, this means you can join them to any length required. Using our end caps and outlets you can use our modular system to suit your project requirements. For outlets, joiners and end caps see our galvanised accessories below.

GALVANISED TRADITIONAL BOX GRATE - Suitable for cars and light trucks				
Available Sizes	125mm Wide x 80mm Deep	150mm Wide x 125mm Deep	200mm Wide x 170mm Deep	300mm Wide x 170mm Deep

› GALVANISED PIT GRATES

Our galvanised pit grates and frames are made from the highest quality mild steel then hot dip galvanised to Australian standards. Our grates come in heelguard pattern and traditional grate pattern for vehicle traffic and pedestrian traffic.

Our grates come in light (pedestrian), medium (cars) and heavy (light trucks) gauges to suit your application.

All grates are hinged for easy access.

Traditional

Heelguard
