Part F

Our industry leading 24 hour replacement warranty.

We pride ourselves on our very simple replacement service.

Simply call our team on +44 (0) 1425 616 103 and report your fault.

If we cannot solve the problem over the phone, a replacement unit will be dispatched that very day*.

When you receive the replacement, simply follow the instructions found in the box to fit your replacement unit.

That's it, you're good to go!

Please place the potential faulty unit in the same box, secure and email everything@velairgroup.com or call +44 (0) 1425 616 103

Now, the good to know:

Our 24hr service runs Monday-Friday, only in UK and mainland Europe, and only applies to units marked with 24hr replacement warranty. In order to gain 24hr replacement the initial fault must be recorded before 1pm that day, if the fault is recorded after 1pm, the replacement unit will be dispatched the next day*. Non return of the potentially faulty unit will lead to a charge. If the returned potentially faulty unit is deemed out of warranty or the fault is not warranty related i.e. vandalism, excessive motor wear, then a charge will be applied. We take no responsibility for courier delays.

Our Technical Support Team provides a five-star service supporting customers with their hand dryer needs.
