Precious Leather Collection

Precious Leather Game Sets

This new collection of accessories, presented and designed by the IMPATIA R&D team, seeks to highlight a balance between vivid colors and the natural textures combined in this luxurious type of leather. The Minimalist and timeless design is juxtaposed with the traditions of master leatherworkers through chromed metal elements, which create a play of light and reflections in contrast to the natural materials.

Questa nuova collezione di accessori, presentata e progettata da IMPATIA R&D, ricerca un equilibrio tra la brillantezza dei colori e l'intensità delle texture naturali delle pelli, finemente accostate tra loro. Il design minimalista e senza tempo si affianca alla tradizione dei mastri pellettieri attraverso gli elementi metallici cromati, creando un gioco di luci e riflessi con i materiali naturali.
