

Landscape Mulch Delivery

Local. Clean. Consistent.

Chocolate Brown \$38/yd

This single-grind colored mulch is made by adding a durable water-based colorant for a deep, long-lasting color that contrasts nicely with summer plantings.

NEW! Hardwood Double-Grind \$36/yd

A natural mulch, made from ground-up hardwood logs only--no Pine, Spruce, Fir. It's processed twice with water only, then cooks down to a fine, fluffy brown product.

Double-Grind \$34/yd

A natural garden mulch, made from a variety of shredded logs. Similar to Hardwood Double-Grind, but includes some Pine, Spruce and other softwood material. Shredded twice with water only.

Single Grind \$29/yd

All natural, made from local trees, with only water added during the grinding process. Suitable for all landscaping projects. Economically priced.
