Felt foot pads
x 4

Story Bookcase
Designed by Afteroom

1. Place felt foot pads onto disks on underside of base as shown, then bolt inner tube to base using one bolt.

2. Slide one sleeve down inner tube, then one shelf.

Story Bookcase
Designed by Afteroom

3. Continue to alternate one sleeve, then one shelf until all have been installed.

Shelves may be oriented to face left, right, or forward. Do not, however, face them rearward.
