

I. IMPORTANT PRINTER SETTINGS

When printing this page, make sure that page scaling is set to "None" in your print dialog box. You'll know the sizing is accurate if your credit card fits perfectly in the box below, or if the bars beneath it measure 1 inch and 30 millimeters respectively.

30 MM

II. MEASURE AN EXISTING RING

1. Use a ring that fits you well.
2. Place the ring over the circles below and match the inside edge of the ring to the circle closest in size.
3. If the ring falls between two sizes, order the larger size.
