

JUNIT LIGHTING

We are delighted that you have chosen a lamp of our Junnit family. This product is lovingly designed and responsibly made in Germany, because we care about the people who make our products and support local craftsmen and women.

Please keep in mind that smaller deviations in form and color are not a reduction in quality but an indication of the product's handmade and unique character.

We hope this high quality piece becomes a lasting part of your life, so please consider the following instructions and advices.

DETAILS

E27 | Bulb included
Milky LED, 6 Watt, 2700 K, dimmable

SUGGESTED LIGHTBULB

LED-6W

I-60W

VOLTAGE

220V - 240V | 50HZ
100V - 110V | 60HZ
DIMMABLE

SPECIFICATIONS

ASSEMBLY

Disconnect from main power before installation.

- 1. Thread the Lighting elements over the cable in accordance with your Junnit variant.*
- 2. Lead the cable through the cablecup as shown on the package. Connect the cable and the cablecup safely to the ceiling and then turn back the cablecup in its basic shape.*
- 3. Now you can insert the bulb and enjoy your lamp.*

MAINTENANCE

Remove dust with a feather duster.
To remove fresh stains, wipe the surface with a lightly moistened cloth and dry it again with a soft cotton cloth.

ATTENTION!

ONLY FOR USAGE IN DRY INTERIOR SPACES.
