Ceramic Pendant

This simple pendant lamp that allows you to illuminate directly or to an angle. Its shade, whilst circular at the base, is rectangular at the top and sits freely to the cord. This allows the shade to angle left, right and rotate completely around, changing its expression as you do so. The pendant can be used as a single piece by the side of a bed or sofa or used in combination over a dining table or an entire room.

The pendant has been left unglazed, raw and been burnt at over 1100°C, creating a final surface that is matt and fine-textured. The shade is handmade and therefore, every lamp slightly varies in shape, size, and colour, making each pendant unique.

Available in a Narrow and a Wide version.
