

## SERIE A LIGHTING

We are delighted that you have chosen a lamp of our Serie A family. This product is lovingly designed and responsibly made in Germany, because we care about the people who make our products and support local craftswomen and men.

Please keep in mind that smaller deviations in form and color are no reduction in quality but an indication of the product's handmade and unique character.

We hope this high quality piece becomes a lasting part of your life, so please consider the following instructions and advices.
