

AIR COOLER PERFUMES

HAVAI AIR COOLER PERFUMES - BURST OF FRAGRANCE

Premium Fragrance

Havai Air Cooler Perfumes are premium in nature which means that for every 1ml of Havai Perfume the customer will get stronger fragrance. We have a **range of 3 fragrances currently to choose from.**

100% Veg

All Havai Air Cooler Perfumes are **100% Veg** in nature and have been made using all natural ingredients.

Created specially for Air Coolers

The perfumes are specifically curated as per Air Coolers and **for every 5 Litres of Water 1ml of liquid is enough.**

HOW TO USE HAVAI PERFUME ?

- Break the Seal of the Bottle
- Put the Dropper provided into the bottle
- Put the Perfume liquid into the tank with water via the dropper as per requirement
- Switch on the Pump first to ensure that the Honeycomb Pads get wet with scented water
- Enjoy fragrant breeze in the house
