

An advertisement for SONEX nonstick cookware. The background is a dark, textured surface. On the left, a large black nonstick frying pan is shown from a top-down perspective, with its lid partially open. The lid is transparent with a silver rim and has the SONEX logo on its underside. To the right of the pan, various spices and fresh herbs are arranged on the surface. There are several metal spoons containing different powders: a reddish-brown powder, a green powder, and a yellow powder. There are also fresh red chili peppers, green basil leaves, and a small wooden bowl filled with a mix of dried herbs and spices. The overall composition is clean and professional, emphasizing the quality and health benefits of the cookware.
