PRESIDENT'S MESSAGE

COMING CLEAN IN THE NEW YEAR

What better way to start the New Year than with something new, especially when that something new helps to protect the planet? With our latest offering, Plant Plus Massage Lotion, you have something to add to your backbar to support the global clean movement to ensure healthier lives through a healthier environment.

At BIOTONE, we wanted to do our part to support the clean movement. Plant Plus Massage Lotion is made with the safest possible ingredients to provide the massage industry with sustainable products that protect the environment. It meets the guidelines of environmentally conscious groups. Plant Plus Massage Lotion also reaffirms our commitment to products that are cruelty free.

Plant Plus Massage Lotion features the gentlest plant extracts and a new environmentally clean and gentle preservative blend. Earth-loving sunflower oil provides long-lasting workability. Other key ingredients of this unique new lotion are derived from candelilla, jojoba, and rice bran oils. The resulting nature-based formula provides a lubricant with a silky texture and long-lasting glide. It easily washes out of sheets and linens supporting efforts to conserve water.

Plant Plus Massage Lotion is suited to all modalities. It is the perfect choice for lymphatic drainage and oncology massage.

The clean movement is growing. We are here to help you get on board.

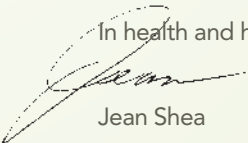

In health and healing,

Jean Shea

A group of diverse people, including a woman in a blue shirt laughing heartily in the foreground, are sitting outdoors in a park-like setting. The background is filled with green trees and sunlight, creating a warm and joyful atmosphere.

EASE-Z

**Fast Relief for Diabetics'
Dry, Cracked, Itchy Skin**

Building a Healthier Future for Everybody.

BIOTONE makes products that go beyond the therapy room. We are helping people with diabetes overcome their excessively dry skin. With ZINC, Shea Butter, and additional clinically proven ingredients, EASE-Z Dry Skin Therapy Lotion and Foot Cream aid in reducing dry, cracked, and itchy skin. Available at Walgreens and Walmart stores nationwide and at biotone.com.

IT'S EASY To Shop at Biotone

SHIPPING INFORMATION

All orders ship FedEx Ground unless otherwise noted. Orders shipped FedEx Ground to contiguous US arrives between 2–7 business days. For international orders, duties, taxes and handling fees are the responsibility of recipient. Damaged, lost or missing items must be reported within 30 days of purchase date for an exchange of same item.

HANDS-ON GUARANTEE

BIOTONE is dedicated to bringing you exceptional quality products and service. 100% satisfaction guaranteed. Because we stand behind our products, if for any reason, you are not satisfied with a BIOTONE® manufactured product, you may return it within 30 days of purchase date. Products must be returned to the place of purchase in original condition, some exceptions may apply. We do not test on animals.

RETURN POLICY

Products may be returned within 30 days of purchase date. Must be in original packaging, new or slightly used. 5% restocking fee applies. Shipping charges are non-refundable. No CODs. All accessories and sales tools, including music, sheets, face cradle covers and marketing materials are non-refundable.

PRICING DISCLAIMER

Prices are subject to change without notice.

HOW TO RETURN A PRODUCT

In the case of defective or damaged products, we will gladly exchange it for the same product if reported within 30 days from purchase date. In order to process a replacement for damaged or defective product(s), please return the merchandise to BIOTONE®. To obtain an RA# please call 800-445-6457 or email info@biotone.com. RA#s are only valid for 15 days. Return packages must include, name, address, phone# and RA#. Packages without all info will be rejected. Mail to: 4757 Old Cliffs Road, San Diego, CA 92120.

SHELF LIFE

When stored in a cool, dry environment avoiding direct light, the estimated shelf life of BIOTONE® Products from date of manufacture is as follows: cremes, butters, lotions and balms – 18 months; muds – 15 months; oils, gels, sugar body polishes, hydrating wrap – 12 months; salt scrubs – 8 months. Refrigeration provides the longest shelf life. Avoid freezing.

LAUNDRY CAUTION

Use caution when laundering linens that have been exposed to oils. ALL oil products, regardless of brand, are potentially combustible when exposed to the heat of a dryer. Use medium dryer setting and allow linens to cool completely before storing. Consult dryer manufacturer's guidelines for drying linens that have been exposed to oils.
