

## Strawberry Dreams Facial Massage

Replenish and moisturize your client's skin, leaving a natural and youthful glow starting with a blend of strawberries and BIOTONE's Facial Therapy MicroRefiner. Follow with a soothing facial massage with BIOTONE's Facial Therapy Massage Creme, a blend of firming actives, skin smoothing botanicals and silky emollients.

### Ingredients

- Facial Therapy MicroRefiner [1/8 oz]
- Facial Therapy Massage Creme [1/8 oz]
- Washed, Organic Strawberry, Sliced in Half

### Supplies

2 Rubber Spa Bowl  
4 Warm, Moist Hand Towels  
Plastic Wrap

Session Time: 20 mins  
Recommended Price: \$30  
Cost Per Treatment: \$1.35

### Instructions

1. Wrap client's face with warm towel - leave towel on for approximately one minute. Be sure to check the temperature of the towel, the face is very sensitive to heat.
2. Gently wipe the face clean of makeup, avoiding eye area.
3. Using the inside of the strawberry halves, rub client's entire face in small circular motions. Be sure to avoid surrounding eye area.
4. Apply **Facial Therapy MicroRefiner** evenly to face, avoiding eye area. Gently massage into skin using small circular upward motions to work against gravity. Go over the face three times.
5. Let client relax for five minutes.
6. Wrap client's face with a fresh warm towel. Leave on for about one minute.
7. Wipe face clean of granules - this may take several passes with a wet towel. Follow with a dry towel to be certain no granules remain on face.
8. Apply even layer of **Facial Therapy Massage Creme** to client's face and proceed with facial massage.
