STATEMENT OF CONFORMITY

As pioneers in eco-design and experts in bamboo since our launch in 2003, we are constantly on the forefront of innovation in design and manufacture of bamboo fibre tableware and home accessories.

Our signature BIOBU® eco-composite is described as a biopolymer, which means it is comprised of about 50% bamboo fibre, a highly renewable material, and 50% non-toxic food-grade A5 melamine binder, which makes it durable and reusable. Our bamboo fibre is responsibly-sourced sawdust which is collected as waste from select bamboo chopstick factories.

We manufacture our custom-designed products with an exclusive partner. Our factory is not only BSCI-compliant in social responsibility, but we work together with our factory, never cutting corners, to manufacture the safest and most premium bamboo fibre goods on the market.

Our material is stable and unchanging and poses absolutely no health risk with normal daily use. Our products are tested regularly at the factory, and undergo independent testing in Europe.

All EKOBO products comply to all food safety standards around the world (FDA, LFGB & REACH) and are free of BPA, PVC, Phthalates, Lead, Cadmium and Mercury. They comply with the European regulation (EU) N10/2011 and Regulation (EC) No. 1935/2004 which acknowledges that they are suitable for hot and cold food and liquid.

NOTE: Our BIOBU® Eco-Composite products are made with natural materials; slight color imperfections or inconsistencies may occur. Our “white” is an off-white as it is the natural color of bamboo.

While our products are durable and long-lasting, this eco-friendly material is not unbreakable. It will not shatter like ceramic or glass, but if dropped at a bad angle on a hard floor, a chip or crack may occur.

MATERIAL SPECIFICATIONS

BAMBOO

Responsibly-sourced bamboo & 100% food safe resin

Free of BPA, PVC and Phthalate

Dishwasher Safe

No microwave / No oven use

Award-winning design

SILICONE

Free of BPA, PVC, Phthalate & Latex

Dishwasher Safe

Toddler-proof (unbreakable!)

Microwave, oven and freezer safe (-40°C to 230°C)

Award-winning design
