Get more from your Intelligent Devices

Stellar Performance

Ricoh Intelligent Devices remain current and relevant no matter what your workplace requires. This way, you have ready and easy access to new functionality, when needed. Environmentally friendly low TEC (Typical Electricity Consumption) values, deliver reduced energy consumption and cut running costs. While Ricoh Intelligent Support features such as Predictive Maintenance** mean that device performance is monitored and any fixes resolved swiftly, minimising impact on your workplace.

Work-flow Efficiency

You can tailor settings for individual users for quick access to apps which are used more often. The new small sized paper scanning units allow you to scan smaller documents much more conveniently, and the expanded paper tray capacity allows you to work more efficiently. Automatic firmware upgrades ensure that your devices are at maximum security so you can have peace of mind.

Smart Operation Panel

Our range of intelligent devices come fitted with a 10.1" Smart Operation Panel designed to enhance your productivity and mobility. Experience a user interface that offers fast and simple navigation with the ability to customise the layout to best suit your needs – even by adding your own company branding. Access device features, move between jobs and tasks quickly and conveniently enabling teams to work smarter.

Ease of Use

Quick access to Web Help Tools via Ricoh Intelligent Support help customers to complete simple tasks like toner replacement quickly and easily. Our consistent user interface across your Ricoh fleet provides an optimal and familiar experience everywhere and anywhere. Other than Ricoh native applications in our intelligent devices, we have also collaborated with third party solutions to optimise your document management workflow.
