WHAT *EVERY*
ABODE NEEDS

(and every heir will fight over).

PLUS, HOW TO
Do It Like A
Decorator

When crafting my letter to introduce our collections, I always bend over backwards to communicate every nuance of my design process. This time I've opted for a more simple and straightforward approach.

Here goes:

OUR FURNITURE IS GREAT.

Couture craftsmanship, perfect proportions, surprising silhouettes. Again, our furniture is GREAT.

Take a look!
