A tall, slender console table holds a large vase of colorful flowers, a stack of books, and a textured orange cushion. In the foreground, two round coffee tables with metal frames and marble tops are arranged. The tables hold a book, two lit candles in holders, and two glasses of drinks. A beige armchair is partially visible on the right. A large wooden pillar stands near the wall. Sunlight streams in from the right, casting shadows on the floor.

# Roxanne module sofa (H x W x D)

## Sofa modules

The fancy Roxanne sofa stands out because of the sloping armrest and the special stitching on the back cushions. The refined design of this armrest results in giving Roxanne a more spacious and luxurious look.

## Maintenance

Keep the sofa away from direct sunlight. Beat and stretch the cushions on a regular basis. Remove stains by dabbing, not rubbing. Note: normal use of the sofa makes the fabric more loose and the seats softer.

## Material

Seats: foam, soft cold foam, fiber padding, upholstery  
 Back cushions: ballfiber and feather mix, upholstery
