I'm Katianna Hong. I'm John Hong and I'm a Chef/Partner at Yangban in the Art's District. I think what motivates us is the conversation

00:03-00:10

of identity. We feel like L.A. is the premiere city in the U.S. to have that conversation.

We can really identify with Rails. A lot of the clothing takes the same approach that we do to cooking. Really try to make a quality product,

00:16-00:23

something that is comfortable for everyone but also unique and high quality.
