UPDATED POINT

these 2 rings get bigger and higher since 2019.01.24th;
but the NEW one is totally okay for PREVIOUS one;
if you already have TTS662L, you still can buy the rod tip even it's new version
TTC662L no any changes till 2019.01.24th
Also Russian Warehouse has the old version of TTS662L,no New version
