OUR STORY

Started by a couple of friends wanting to help save the lives of dogs in kill shelters, WagStar is dedicated to finding homes for animals in need of one. A portion of all proceeds goes to worthwhile charities that support the same mission. By purchasing a WagStar treat, you help save someone's future best friend.

We thank you for your support!

FLAVORS

Bursting with Blueberry Flavor Crunchy Cookies

SIZE

Loaded with natural ingredients and nothing else, these crunchy cookies are bursting with blueberries! Not only are they delicious, but blueberries have the added bonus of immune-boosting antioxidants for a healthy treat your dog will love.

Ingredients: Organic spelt flour, whole oat flour, apple juice, blueberries, natural blueberry flavor, coconut oil, mixed tocopherols (Vitamin E) as a natural preservative.

4oz

Beef & Cheddar Potato Flavor Crunchy Cookies

SIZE

Tasty beef and baked potato topped with cheese make for a delicious combination. Now you can spoil your pup by treating them to a crunchy baked cookie featuring all three flavors!

Ingredients: Organic spelt flour, whole oat flour, apple juice, natural beef flavor, potato flakes, cheddar cheese, coconut oil, mixed tocopherols (Vitamin E) as a natural preservative.

4oz

Nutty Peanut Butter Crunch Flavor Crunchy Cookies

SIZE

No unnecessary ingredients and lots of crunchy peanut butter flavor. These tasty cookies will certainly satisfy your dog's peanut butter cravings!

Ingredients: Organic spelt flour, whole oat flour, apple juice, ground peanuts, peanut butter, coconut oil, mixed tocopherols (Vitamin E) as a natural preservative.

4oz
