www.bobbiny.com

Step 1

Start working on your macrame keychain by folding the first cord in half. Then pin it to the cork board.

bobbiny

hello_bobbiny

#bobbiny

www.bobbiny.com

Step 2

Using the second cord, tie the first lark's head knot on the left side.

You can find a [tutorial here](#).

bobbiny

hello_bobbiny

#bobbiny

www.bobbiny.com

Step 3

Using cord number 1 tie the first double half hitch knot on the cord no. 2.

Each double half hitch knot is made with 2 loops.

You can find a [tutorial here](#).

#bobbiny

www.bobbiny.com

Step 4

Add the third cord by attaching it on the top cord using lark's head knot.

bobbiny

hello_bobbiny

#bobbiny

www.bobbiny.com

Step 5

Using cord 1 as a core tie the double half hitch knots with all three cords below.

bobbiny

hello_bobbiny

#bobbiny

www.bobbiny.com

Step 6

At this stage, your macrame heart should look like the picture above.

It's already starting to look like half a heart, right? ;)

bobbiny

#bobbiny

www.bobbiny.com

Step 7

Again, using the cord at the top as a core, make double half hitch knots with the bottom cords.

bobbiny

hello_bobbiny

#bobbiny

www.bobbiny.com

Step 8

Start knotting the next row. The cord at the top will serve as your core. Use the cords below to knot the double half hitch knot.

bobbiny

#bobbiny

www.bobbiny.com

Step 9

This is the last row of double half hitch knots. Repeat the action from the previous step. Your heart is almost ready :)

bobbiny

hello_bobbiny

#bobbiny

www.bobbiny.com

Step 10

Turn the heart, gather the hanging strings so that they are not visible from the front of the design. Then tie a knot with a 10cm long cord.

bobbiny

#bobbiny

www.bobbiny.com

Step 11

First half of a heart is now ready! Cut off the excess cords.

bobbiny

hello_bobbiny

#bobbiny

www.bobbiny.com

Step 12

Start knotting the second half of the heart.

Pin a half-folded cord. On the part on the right, add the second cord with a Lark's head knot.

bobbiny

#bobbiny

www.bobbiny.com

Step 13

Tie the first double half hitch knot. In the second picture you will see what the finished knot looks like.

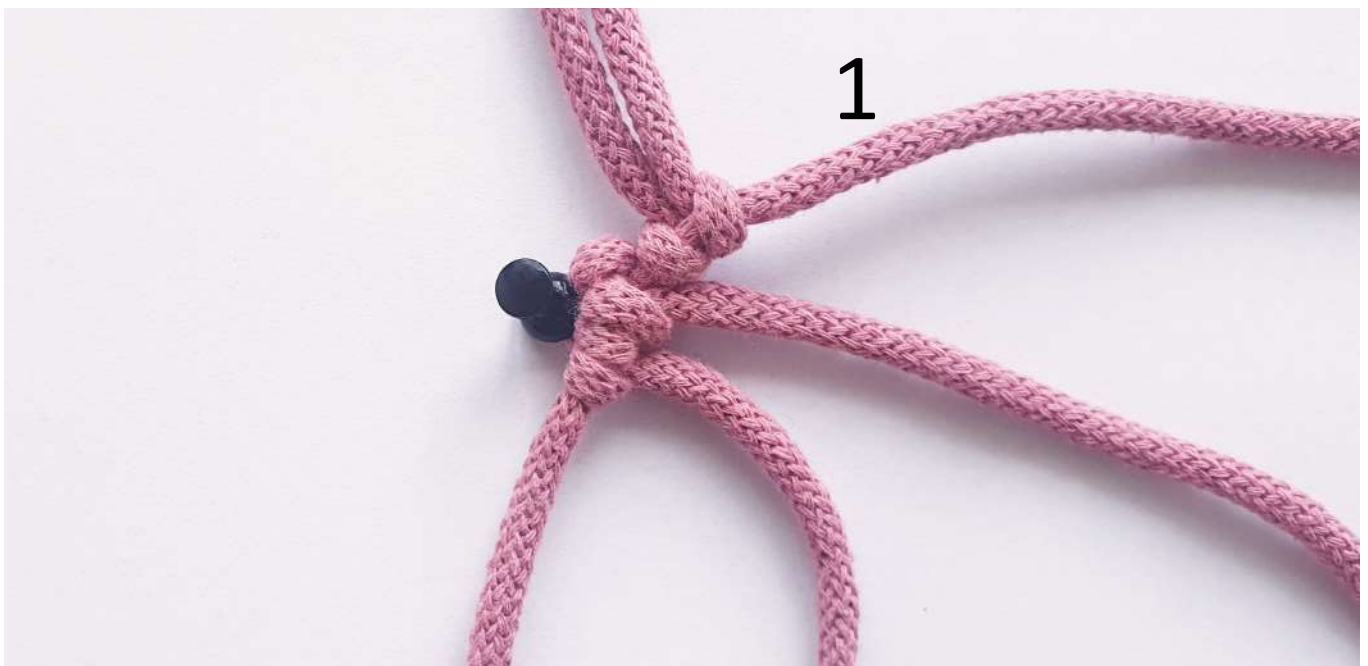

bobbiny

#bobbiny

www.bobbiny.com

Step 15

Using cord number 1 as a core, continue tying the double half hitch knots.

bobbiny

hello_bobbiny

#bobbiny

www.bobbiny.com

Step 16

Using the same technique, tie a third row of double half hitch knots :)

bobbiny

hello_bobbiny

#bobbiny

www.bobbiny.com

Step 17

Continue tying the 4th row of double half knots. We almost finish!

bobbiny

hello_bobbiny

#bobbiny

www.bobbiny.com

Step 18

It's the last row!

Tie it using the same technique as the previous ones.

bobbiny

hello_bobbiny

#bobbiny

www.bobbiny.com

Step 19

Turn the heart over and tie a knot with 10cm long cord.

bobbiny

hello_bobbiny

#bobbiny

www.bobbiny.com

Step 20

Cut off the excess cords. :)

bobbiny

Step 20

Congratulations! Your heart is ready!

You have successfully made the two halves of the heart <3

Give one of them to someone special :)

Use **#bobbiny** and **#bobbinypattern**, so we can see your work!
