

NEIL TEXTILE CHAIR & STOOL

Jean Marie Massaud
2021

NEW

Elegant, light and sophisticated: Neil Textile Chair and Stool are the natural evolution of Neil, the icon of essential style created by Jean Marie Massaud.
The fabric tailoring, 100% made in Italy, is a symbol of the quality and exceptional skills of our manufacturing sector.
Design and traditional craftsmanship combine in this product, which can be used in different settings, from the most classic to the most modern and contemporary.

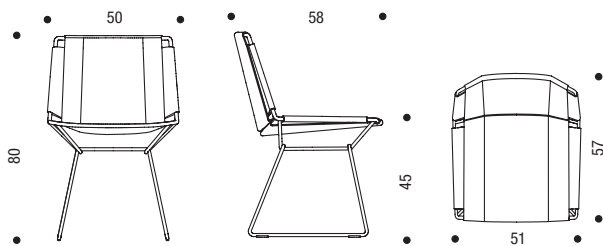

Structure
The load-bearing steel frame of the seat and backrest is available in black chrome glossy galvanic finish or in matt black nickel colour powder painted.

This product is only suitable for indoor use.

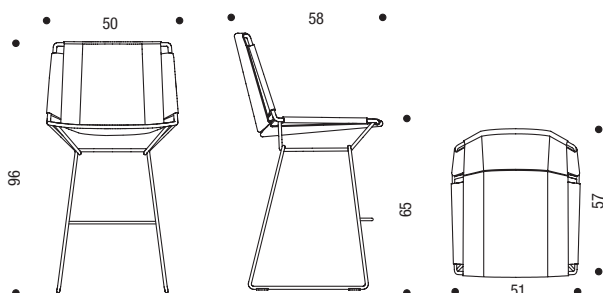

Upholstery
The fabric upholstery, coupled and simply stretched on the frame, is characterized by riveted seams and colour matching aesthetic stitching on the seat and back, decorations that emphasise the tension and the pattern. The upholstery fabric is removable.
