XXII Compasso d'Oro ADI

An armchair and sofas of strong image featuring a wide shape cushioning which provides a great comfort and functionality.

Frame

Frame in extruded aluminium with elastic belts, die-cast aluminium feet.

The profile in steel, fixed to the frame, supports and holds the backrest cushions and the arm. The profile is painted gloss white or matt white, bronze, black nickel.

Cushions, with removable cover, in indeformable variable-density polyether and polyester wadding. Structural backrest cushions.

Cover

Extra cover available if requested.

To select a suitable fabric for each product, please refer to the technical section at the end of the price list or to the product sheets available in the website.

With customer's own leather, in order that the product is properly manufactured, the leather piece must be larger than 5 sqm and with no defects, such as scars or holes.

FLAME RETARDANT PADDING

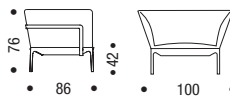

Norms 1IM, California TB 117-2013 and BS are available upon request with a surcharge as of +5%. Feasibility, costs and delivery times to be verified with our Sales Dept.

NB: the use of flame retardant polyurethanes and interliner can give a different result from the standard.

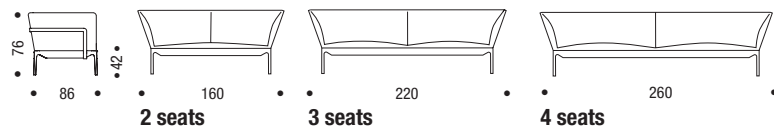

For the choice of the upholstery and its feasibility according to any norms, please refer to the technical section at the end of the price list.

For further information about the coffee tables Yale Low Table, please refer to the coffee tables section.
