

MAMBA Light

Victor Vasilev
2013

NEW
New finishes, canaletto walnut and black ash.

Shelf and/or wall-mounted desk.

The minimal form and tapered thickness create a product with a unique, highly iconic design.

Its key features are its formal strength and the versatility with which it can be easily integrated with other furnishings.

It's an "accent" that can interact spontaneously with its surroundings and be used in many different ways.

The shelf is in medium density fibreboard with varying thicknesses and moulded into a curve. Finish: matt lacquered white, anthracite grey, avio blue, canaletto walnut and black ash. It is attached to the wall with a bracket.

Dims

Height 44 cm, depth of the top 40 cm, length 134 cm.

For further information about specs, please refer to the technical section at the end of the price list (tables of materials/colours).
