

How do I register my kit?

1. Go to www.5strands.com/registermykit and select "Click Here To Register"

The screenshot shows the 5Strands website header with navigation links for '5Strands Portal Access', 'Affiliate Program', and a shopping cart icon. A large black button with white text says 'REGISTER MY KIT'. Below it, a video player shows a man and a woman with a kit, titled 'How To Register 5Strands Register My Kit | Ho... My Kit'. A red play button is overlaid on the video. Below the video, there is a phone number '833-600-TEST' and a 'Privacy - Terms' link.

2. Type in your Unique Identifier # located on your Anti-Static Bag and Leave Behind Card.

The screenshot shows the 'Register your kit' form with a progress indicator on the left showing five steps: 1. Kit Info, 2. Login Info, 3. Your Information, 4. Subject Details, and 5. Confirm. The 'Kit Info' step is highlighted with a green box. The form contains a 'Kit Number' field with the value 'CSITJVDA' and a 'Next' button.

3. Input the email address that you would like your results sent to and create a password & username.

The screenshot shows the 'Register your kit' form with the 'Login Info' step highlighted. The form includes fields for 'Your E-mail' (janedoe@gmail.com), 'Password' (masked with dots), and 'Confirm Password' (masked with dots). There is also a 'Handle / Username' field with the value 'Emily20'. A note below the fields states: 'If you decide to communicate with people, they will see this username/handle. Someone can tag you with @Emily20'. A 'Next' button is at the bottom.

4. Fill in your first and last name along with your phone number.

The screenshot shows the 'Register your kit' form with the 'Your Information' step highlighted. The form includes fields for 'First Name' (Emily), 'Last Name' (5Strands), and 'Phone Number' (8336008378). A 'Next' button is at the bottom.

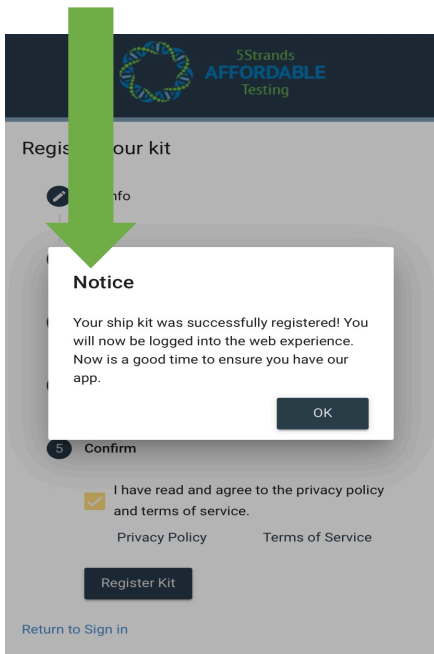

5. Fill in all of the information of the person/pet that you wish to have tested.

The screenshot shows the 'Register your kit' form with the 'Subject Details' step highlighted. The form includes a dropdown for 'Subject Type' (Adult), a text field for 'Subject First Name' (Emily), and a text field for 'Subject Last Name' (5Strands). There are also fields for 'Gender' (Female), 'Birthdate' (03/30/1997), 'Postal Code' (30043), 'Country' (United States), 'City' (Lawrenceville), and 'State' (GA). A 'Next' button is at the bottom.

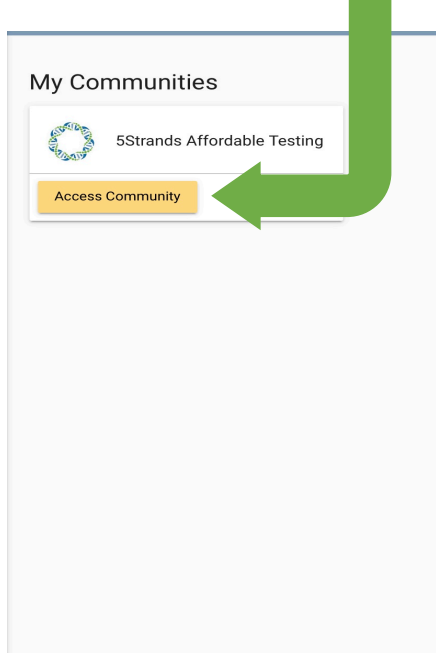

6. Check the box to indicate that you agree with the privacy policy and terms of service after you have read them. Select "Register Kit".

The screenshot shows the 'Register your kit' form with the 'Confirm' step highlighted. It features a checkbox that is checked, with the text 'I have read and agree to the privacy policy and terms of service.' Below the checkbox are links for 'Privacy Policy' and 'Terms of Service'. A 'Register Kit' button is at the bottom.

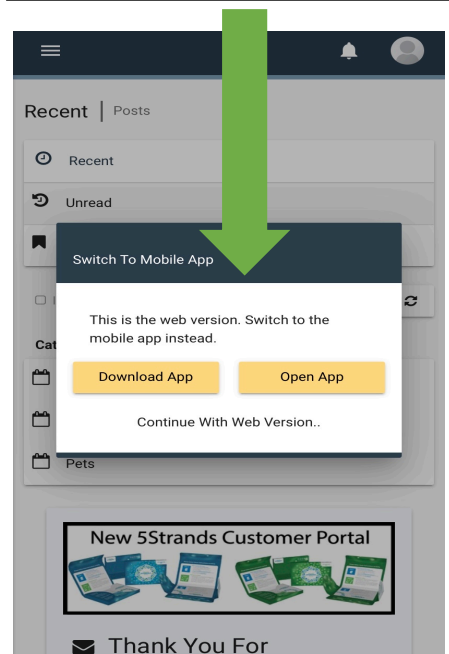

7. After you select "Register Kit" a notice will pop up indicating that you have successfully registered and that you will be logged into the web experience.

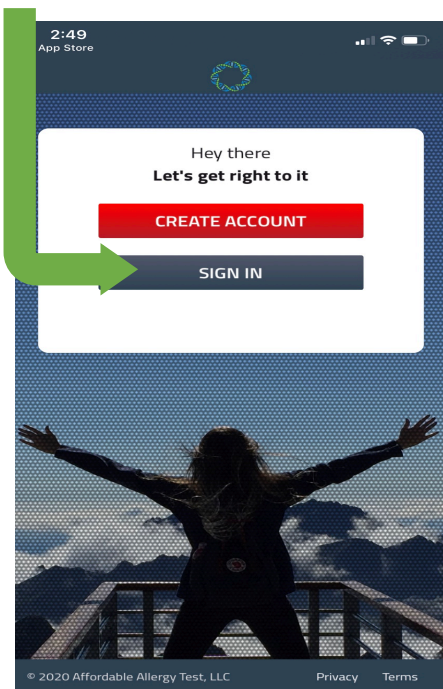

8. Select "Access Community" to download or open the app.

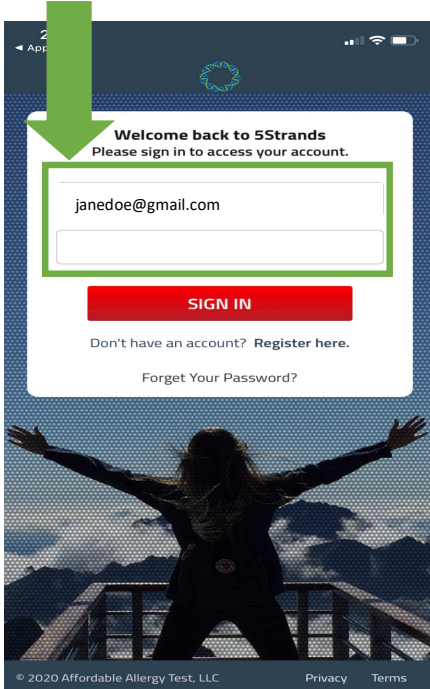

9. If you registered your kit on a computer, it will automatically direct you to our web experience. If you are registering on a phone, you will be prompted to download or open the app.

10. Once you download the app select the sign in button.

11. In order to login to your account, enter the same email address and password used to register your kit.

12. Once you have signed in, you now have access to the app/web experience and are free to explore!
