

# S-Electro Superfast (Charcoal Grey/Electric Lime)

€4.999,00

Road | E-road | Carbon | 700C

The gravel bike category is growing quickly as riders are enjoying the versatility of hitting light trails on the weekend, doing long distances on gravel roads, and going for long road rides during the week. For this purpose, the S-Electro Superfast is designed to be as comfortable on the road as it is on gravel. Superfast features the groundbreaking FSA System HM 1.0 250W hub motor, matched to an FSA System HM 1.0 250Wh battery with an integrated on-bike control unit.
