Skid 20 ME

Hardtail | Kids | Alloy | 20"

€329,00

With hard-wearing, scratch-resistant decals and a rigid alloy fork, the Skid 20 ME is the perfect first mountain bike for your youngster. Featuring 2'35" knobbly mountain bike tyres and a singlespeed drivetrain, this bike is suitable for riding trails, street, your local pump track or even to school and back. Skid features smaller contact points to suit smaller hands and shorter legs and an integrated kickstand and mudguards for convenience and all weather riding.
