| COMPONENT           | SPECIFICATION  | MATERIAL      | COLOR      |
|---------------------|--|---------------|------------|
| Frame Description   | Vvolt Alloy w/Removable Downtube Battery, fender, rack and 1x bottle cage mounts | Alloy         | Painted    |
| Fork                | Suspension, 100mm Travel Air Spring w/ lockout, 15mm thru-axle                   | Alloy         | Painted    |
| Head Set            | Zerostack-style integrated sealed bearing 1.125" straight                        | Alloy         | Black      |
| Handlebar           | Alloy, 31.8 clamp, 520mm width, 20mm rise x 10° sweep                            | Alloy         | HABK       |
| Stem                | Alloy, 31.8 clamp, 50mm length   | Alloy         | Black      |
| Motor               | MPF6C - 650w Max power 80nm max torque   | Alloy/Steel   | Black      |
| Computer            | Xplova by Acer -LED Display, Bluetooth Compatible w/ USB charging port           |               |            |
| E-Power Battery     | 36V 10.4Ah Integrated Battery 375Wh   LG Cells                                   | Lithium       | Black      |
| E-Power Charger     | e-Bike Battery Charger 36V2AP, 100-240V Output 36V/2A CC-CV UL Listed            |               |            |
| Crankset            | Alloy, Black 170mm   |               |            |
| Belt Drive Sprocket | Gates CDX, 50t   | Alloy         | Black      |
| Belt Drive Rear Cog | Gates CDX, 22t   | Steel         | Silver     |
| Drive Belt          | Gates CDX, 122t  | Carbon        | Black      |
| Shifter             | Enviolo Twist Shifter w/ Indicator   | Resin         | Black      |
| Brakes              | Hydraulic, 160mm rotors  | Alloy         | Black      |
| Front Hub           | Sealed Bearing, 15x100mm Thru-Axle Disc, 32h                                     | Alloy         | Black      |
| Rear Hub            | Enviolo TR bolt-on, 32h  | Alloy         | Black      |
| Spokes              | 14g Black Steel  | UCP           | Black      |
| Nipples             | Brass  | Brass         | Black      |
| Rims                | Lightweight Alloy 650b Disc Specific   | Alloy         | BK/CNC     |
| Tires               | Kenda K1027 27.5 x 2.2 knobby  | Rubber        | Black      |
| Pedals              | Plastic platform w/reflectors  | Resin         | Black      |
| Saddle              | Velo Hybrid Gel  | Steel         | Black      |
| Seat Post           | 27.2 x 350mm   | Alloy         | Sand Black |
| Seat Clamp          | Bolt-On  | Alloy         | Black      |
| Grips               | Low profile Dual-Density Locking   | KRATON        | Gray/Black |
| Kickstand           | Black, rear-mounted w/Adjustable foot  | Alloy/Plastic | Black      |
| Bell                | Mini Bell  | Steel         | Black      |
