Expert assessment of the product - Grill plate steel (10x10 cm)

Day March 3rd 2017 in the laboratory of the Center of hygiene laboratory received a sample labeled: steel grill plate (10x10 cm). The sample was registered under number 20834/2017, order no. 6388/2017 to the laboratory system.

Accordance with the provisions of **Regulation (EC) No 1935/2004 of the European Parliament and the Council** of 27 October 2004 on materials and articles intended to contact with food and repealing Directives 80/590/EEC and 89/109/EEC, as amended and **Regulation of the Ministry of Health CR No 38/2001Sb.** as amended, was performed, according to the intended application range (Barbecue meat and other foods), testing:

- **organoleptic properties.**

Conclusion:

The samples (in the range of analysed parameters) meet the requirements of Regulation (EC) No 1935/2004 of the European Parliament and of the Council, as amended and Regulation of the Ministry of Health CR No 38/2001Sb., as amended.

The results are presented in test report no. **12126/2017** which is an integral part of this evaluation.

This declaration relates only to the submitted and conclusions made from its assessment may be applied only to other products of the same type whose composition and properties are identical to the tested sample. This declaration was issued at the producer's request.
