

## MUNKA SLIDE

MFM24205

BLACK

The Munka slide delivers lightweight comfort. Made of PVC embossed upper with textile foam lining, it features a wide padded strap for improved comfort and fit, contoured footbed to provide extra support and EVA® midsole for extra cushioning. The outsole features a pattern for added traction, and is non-marking.

### FEATURES

- PVC embossed upper with textile foam lining.
- EVA midsole provides cushioning.
- EVA outsole.
- Padded strap reduces friction and improves comfort & fit.
- Contoured footbed provides support.
