Cold Protect

providing support for the immune system with valuable medicinal plants and zinc

34,5 g e

60 tablets

Serving size (2 tablets) contains:

Minerals		%NRV* (100%*)	Others	
Zinc	10 mg		Nasturtium herb powder	150 mg
			Thyme herb powder	200 mg
			Licorice root powder	250 mg
			Pineapple powder	100 mg
			Eucalyptus leaf powder	150 mg
			Horseradish root powder	100 mg

*Reference amount of the nutrient reference values (Ger. NRV)

Ingredients:

Licorice root powder, thyme herb powder, rice starch, eucalyptus leaf powder, nasturtium powder, pineapple fruit powder, horseradish root powder, zinc gluconate, release agent: calcium salts of fatty acids (herbal), coating agent: shellac, potato starch.

Directions:

Take 2 tablets once a day with sufficient liquid. Do not exceed the recommended daily intake.

Cold Protect contains the medicinal plants nasturtium, thyme, licorice, eucalyptus and horseradish root, which are used to support the immune system and prevent upper respiratory tract infections. **Cold Protect** also contains the important enzyme source pineapple fruit powder and the mineral zinc, which contributes to the physiological function of the immune system and the protection of cells from oxidative stress.

Store dry, protected from light, and between 15 °C and 25 °C.
