\*Reference amount of the nutrient reference values (Ger. NRV)

### Ingredients:

Rice starch, red clover extract (with isoflavones), maca root extract, yam extract (with diosgenin), release agents calcium salts of vegetable fatty acids, pyridoxine hydrochloride, thiamine hydrochloride, maltodextrin, shellac coating agent, potato starch, calcium L-methylfolate, methylcobalamin.

### Directions:

Take 2 tablets daily in the evening with sufficient liquid before going to bed. Do not exceed the recommended daily intake.

**Feminin Balance Pro** is a combination of various highly concentrated isoflavones (phytoestrogens) and the nerve function associated vitamins B1, B6, B12 and folic acid. It can therefore be used to provide support for menopausal symptoms. Vitamin B6 contributes to the regulation of hormonal activity, to the physiological function of the psyche and energy metabolism and to the reduction of tiredness and fatigue.

 Store dry, protected from light, and between 15 °C and 25 °C.

### Free of:
