Immune Strong

providing support for physiological function of the immune system

36 g e

60 tablets

Serving size (4 tablets) contains:

Vitamins	%NRV*	Minerals	%NRV*	Sonstige Stoffe	
Vitamin A	800 µg (100%*)	Calcium	147 mg (18%*)	Coenzyme Q10	10 mg
Vitamin D	10 µg (200%*)	Magnesium	73,5 mg (20%*)	Flavonols	15 mg
Vitamin E	150 mg (1.250%*)	Iron	8 mg (57%*)	(from Ginkgo biloba extract	60 mg)
Vitamin K	60 µg (80%*)	Zinc	10 mg (100%*)	OPC	20 mg
Vitamin C	600 mg (750%*)	Copper	1 mg (100%*)	(from grapeseed extract	21 mg)
Thiamine (vitamin B1)	15 mg (1.364%*)	Manganese	1 mg (50%*)	Anthocyanidines	10 mg
Riboflavin (Vitamin B2)	15 mg (1.071%*)	Selenium	55 µg (100%*)	(from blueberry extract	40 mg)
Niacin (Vitamin B3)	60 mg (375%*)	Chrome	50 µg (125%*)	Lycopin	250 µg
Vitamin B6	15 mg (1.071%*)	Molybdenum	60 µg (120%*)	(from tomato extract	2,5 mg)
Folic acid	600 µg (300%*)			Betanin	0,03 mg
Vitamin B12	10 µg (400%*)			(from red beet powder	10 mg)
Biotin	150 µg (300%*)			Papain	10 mg
Pantothenic acid	18 mg (300%*)			Bromelain	10 mg

Reference amount of the nutrient reference values (Ger. NRV)

Ingredients:

Calcium L-ascorbate, D-α-tocopheryl acetate, calcium salts of citric acid, filler microcrystalline cellulose, rice starch, magnesium oxide, magnesium salts of citric acid, zinc gluconate, ginkgo biloba extract [leaves] (with flavonols), nicotinamide, blueberry extract (with anthocyanidines), potato starch, ferric sulfate, calcium D-pantothenate, grape seed extract (with OPC), thiamine hydrochloride, pyridoxine hydrochloride, riboflavin, coenzyme Q10, papain, bromelain, beetroot powder (with betanin), beta carotenes, coating agent shellac, release agent calcium salts of fatty acids (vegetable), retinyl acetate, cholecalciferol, manganese chloride, copper sulfate, tomato extract (with lycopene), phytomenadione, methylcobalamin, calcium L-methylfolate, chromium(III)-chloride, D-biotin, sodium selenate, sodium molybdate.

Directions:

Take 2 tablets daily in the morning and 2 tablets in the evening after a meal with sufficient liquid. Do not exceed the recommended daily intake.

Immune Strong contains vitamins C and B6, the mineral zinc as well as grape seed extract, blueberry extract, ginkgo biloba extract, tomato extract, beet powder, coenzyme Q10 and the enzymes papain and bromelain. Vitamin C protects cells from oxidative stress and contributes to healthy energy metabolism. Vitamin B6 contributes to the reduction of tiredness and fatigue and zinc contributes to the physiological function of the immune system.

 Store dry, protected from light, and between 15 °C and 25 °C.
