Ultra-colloidal silica

Ultra - colloidal silica SiO₂ in hydrated form as a structure-building agent

100 ml e

Vegan

Ingredients:

Steam-distilled water (tri-distillate, 4-fold ultra-colloidized), colloidal silica.

Directions:

The recommended daily intake of silica for adults is 100 mg. Add 7 pumps (approx. 100 mg) to a glass of water daily and take in sips, holding the liquid in your mouth for at least 15 seconds before swallowing.

Colloidation

The colloidation is particularly important and makes this product unique. Colloids are microscopically small particles that are finely distributed in an external medium and thus ensure optimum absorption.

 Store dry, protected from light,
and between 15 °C and 25 °C.

Free of:

lactose

yeast

gluten

preservatives

dyes

sugar
